

AKTIV!er Betriebsrat  
Starkes Team

Focus:  
Working Conditions

### Working on Campus and in the Homeoffice

For good working conditions in offices, labs, manufacturing and on test areas. Regulations for sufficient space and booking availability, flexibility for mobile work, and employer support for homeoffice equipment.

### Our Canteens

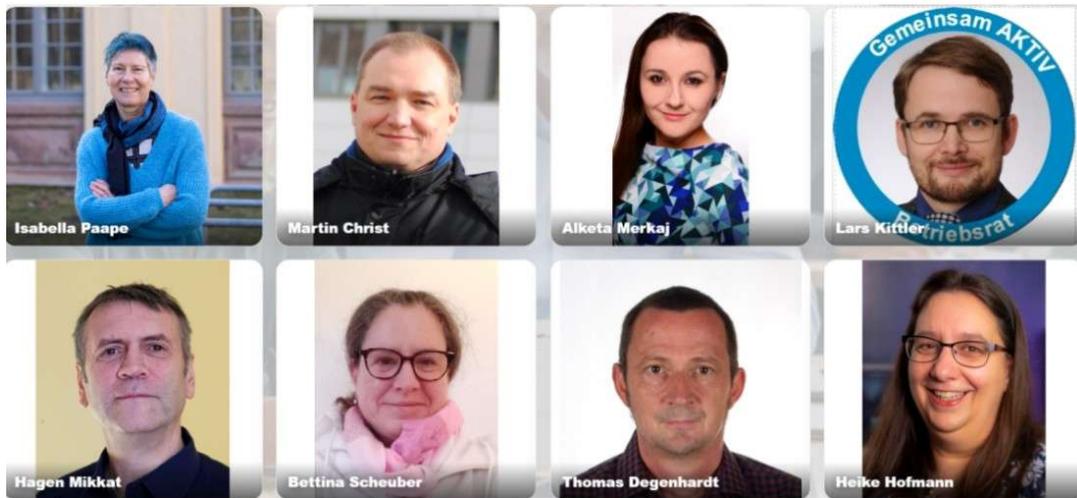

Good and balanced nutrition in a calm environment with sufficient space - that is what we want to implement. We take colleagues' suggestions as our benchmark.

### Daycare, Sports & More

Social facilities make everyday work easier and help us stay healthy through the work life. We deserved that!
